

The Food For Thought Foundation

The Food For Thought Foundation is a not for profit organisation that **supports** Irish charities by donating up to 40% of the monies raised through the sale of food products.

Businesses, Organisations, companies and individuals can lend their support by committing to buy regularly from the Food For Thought Foundation or by holding a Cookie Dough Day.

They currently sell their *Gourmet Cookie Dough Kit Experience* directly to organisations, helping to raise awareness of the foundation and raise much needed funds for Irish charities, of which Spina Bifida Hydrocephalus Ireland is one of the designated charities for 2011/2012.

If you or your organisation would like to learn more about the Foundation or purchase a *Gourmet Cookie Dough Kit*, please visit their website today @
